About Vintage Rose

“Vintage Rose is a décor and styling company that originated after planning my own wedding. From then on, my passion just grew and I started to design and execute other bridal couple’s décor. I learned so much from this business, not just about people and business, but also about myself. It's something special to be part of planning a couple’s big day.”

Nadia Roos {Owner and founder}

Services we offer

Event Planning

Many clients do not have the time available to plan their wedding or other special occasion, we have over 10 years experience and know all the do’s and don’ts as well as industry suppliers.

Event Set up and Break down

We will set up and break down your function. This allows you to relax and enjoy your event without the added stress.

Décor

We own a selection of beautiful décor. Our décor can be personally viewed (by appointment only) at our showroom 205 Main Street, Waterkloof, Pretoria or directly from the catalogue found on the décor page.

Flowers

We order the flowers from the market and other local suppliers and we have a very experienced florist who creates beautiful arrangements according to your style.

Wedding cakes, Cheese Towers, Candy buffets and much more

We source cakes and eats from various local suppliers.
